

Network::INetwork

```
classDiagram
    class Network_INetwork["Network::INetwork"]
    class Network_Client["Network::Client"]
    Network_Client --|> Network_INetwork
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text "Network::INetwork". Below it is a gray rectangular box with a black border containing the text "Network::Client". A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that "Network::Client" inherits from "Network::INetwork".

Network::Client
